SUSTAINABILITY STRATEGIES FOR PRIMARY CARE

Why attend?

1. TRANSFORM STRATEGY INTO SUSTAINABLE ACTION

Primary care is at a turning point. Do not just witness the pressure – be part of the solution.

2. TURN KNOWLEDGE INTO ACTION

The programme is not just about listening – it is about implementation. Gain tools you can use immediately in your own practice.

3. THE POWER OF CONNECTION

Primary care remains strong when knowledge is shared.

4. LJUBLJANA: A COMPACT AND SECURE HOST CITY

The city infrastructure ensures efficiency and safety.

5. STRENGTHEN EUROPEAN UNITY

Help shape a sustainable and inclusive future for family medicine across Europe. Your participation strengthens a truly pan-European vision of primary care.

**Define the strategy. Take action.
