Your work belongs on this stage

Submit your abstract for WONCA Europe Conference 2027

Own the stage

Present to GPs and family doctors from across Europe and beyond.

Shape the agenda

Sustainability strategies for primary care need the people delivering care. Add your voice.

Grow your profile

A European conference presentation, on your CV, with your name on it.

Get real feedback

From peers who know general practice from the inside.

Start conversations that last

Abstracts are often where collaborations begin.

Eight presentation formats: Oral Presentation, Short Lecture, Clinical Pearl, Practice Innovation Showcase, Workshop, Country Session, Controversy Session, ePoster

Seven conference themes, from environmental and planetary health to digital health and workforce wellbeing

Your deadline is 30 November 2026. Your stage is Ljubljana.
Don't just attend ⟶ PRESENT.
